

MOLYDUVAL

Sekorex B Spray

Biodegradable Lubrication Oil

Biodegradable lubrication oil developed with the environmental hazards of oil disposal in mind. Made from a combination of special refined synthetic ester fluids rated as being greater than 90% biodegradable, as measured by the Coordinating European Council Test Method CEC L-33-T-82 test after 21 days on test. As premium quality antiwear and hydraulic oil, it's intended to replace mineral oils previously used in forestry and mining applications. It satisfies the requirements of many applications designed for premium anti-wear lubrication oils.

Characteristics

- oxidation resistant
- strong tackiness
- biodegradable
- high flash point
- ecological safe

Applications

- for bearings at funnels and weirs
- for spraying of vehicle bottoms
- for protection of steel and iron parts
- for motorcycle chains
- for bicycle chains
- for chains in sensitive areas
- for chains and wire ropes on ships

Technical Datas

Color		Undefined
Base Fluid		ester
Viscosity Class	ISO-VG	150
Viscosity 40°C	mm ² /s	150
Density 40°C	kg/m ³	960
Pack Size spray can 400 ml		+

The content of this manual is based on our current knowledge and experience in the development and manufacture of lubricants. Because of the complexity of tribological systems, the effect of our products depends on many parameters, which we cannot assess and which influence we cannot evaluate. For this reason general statements about the function of our products are not possible. The information in this manual, therefore, contains non-binding guidelines, which should give the technical trained reader information on possible applications. The information in this manual does not include property assurances or warranties or guarantees to the properties or suitability of this product in a specific application. Prior to its use it is absolutely necessary to test this product in the application to ensure that the product and its use is safe, economical and fully suitable. It should proceed with due diligence. We reserve the right to change the information in this manual at any time and without notice. All previous versions of this manual are no longer valid.
